

Privacy Policy for 2024

This privacy policy governs the collection and use of personal information by Seaboard Agency, LLC.

Seaboard Agency adheres to all standards and guidelines as outlined in the Health Insurance Portability and Accountability Act (HIPAA) of 1996 regarding the privacy of Personal Identifiable Information (PII) and other requirements when handling personal information.

We maintain administrative, technical, and physical safeguards to help protect personal information against unauthorized access, use, disclosure, alteration, or destruction. We review our data security practices on an ongoing basis and continually enhance technology and transactional methods to ensure compliance with federal and state privacy and security regulations.
